Artwork

Submit all artwork by email to outreach@kgltnet.net. PDFs of initial design are acceptable for submission.

If mid-tone and dark shirt colors are chosen, please consider design and ink colors accordingly.

A winning design will convey the spirit of KGLT, is easy to read and see, and works well as a logo for stickers, hat embroidery, and other items. Iconic images and parodies may be considered, as long as there are no copyright infringements involved. AI generated art is not acceptable.

Please present your design on two t-shirt color options. (OK to estimate colors)

Artist Agreement

If your artwork is chosen, you acknowledge and understand that the winning design(s) will become the property of KGLT-FM, which retains exclusive copyright privileges to reproduction of the design and the submitting artist relinquishes all rights to such design. Artists must acknowledge that each entry design is: (a) wholly original (b) does not incorporate or include any material that would require the consent of any third party (c) does not violate any copyright, trademark, publicity right, privacy right, or any other right of any third party; and (d) use of AI was not used during the process or final design. KGLT shall have the right to edit, composite, scan, duplicate, or alter the entry design for any purpose deemed necessary or desirable, without the need for additional compensation and/or permission.

KGLT may utilize chosen artwork for other promotional materials (i.e. clothing, stickers, magnets, embroidery, print media) at any time in the future.
